FOR IMMEDIATE HIRE: HOME STAGER, PART-TIME

Position Description

Do all your friends ask you to decorate their home? Do people gasp with delight when they enter your home? Do you love being on your feet and working with your hands over sitting at a desk? Are you looking for flexible, part time, creative and fulfilling work? If so, we have the perfect position for you!

We are looking for a part-time home stager to plan and install up to 4 stages per week in the Greater Nashville area. Weeks that we are not at capacity, there will be some assistance with social media management.

Company Description

Spark Vintage Rentals has a passion for creating beauty wherever we go. We take empty houses and turn them into showstoppers, and we take plain looking events and turn them into personality-infused parties. We are big on communication, clarity, patience & kindness.
